Pre 5 Stay & Play

Attendance at S&P has increased significantly over the year due to the highly skilled and qualified staff who provide a diverse range of exciting activities to suit the children's individual needs.

9 S&P Sessions per week.

Community Garden

Liaising with Glasgow life the Jeely EYs have helped plant bamboo, small trees and shrubs, as well as raised bed for flowers and vegetables.

30+ Children can use the Garden Safely and productively

The integration of indoor and outdoor services provided new opportunities, shared ideas and increased professional development.

89

Children in Attendance

“ I remember coming here as a child and it is the same staff so I wouldn't put my child anywhere else - Jeely is like home to me. ”

Parent quote

Creating good practical link for pre-school work

Lead Practitioner of Attainment

Assist staff develop broad range of opportunities to support each child's needs.

Positive effect during merge on physical and mental health of team and families.
